The shade is produced from exclusive design patented moulds, is elaborately decorated with an embossed floral design of coral red poppies, surrounded by a green foliage, having a deep red background.

The decorations are raised on the surface and are covered with satin glazing.

When illuminated the effect is most exquisite, bringing out the poppies in their natural colors, with the subdued and harmonizing relief of green and deep red.

The pedestal is antique in construction and finish, model being reproduced from an old Venetian design, with the latest treatment of Pompeian green.

Each lamp is finished perfectly, is guaranteed to be safe and the result of the most modern ideas in lamp building.

The Venetian lamp is 20 inches high; shade is 10 inches in diameter; the pedestal 8 inches in diameter.

Thirty consecutive coupons and \$2.50 if called for at main office, 916 E. Main St. \$2.75 delivered by wagon or express.
